## COMING SOON!

Catechesis of the Good Shepherd is a hands-on approach to faith formation based on the Montessori method of learning. It utilizes a prepared space for children called the "atrium." The atrium is filled with child-sized furnishings and manipulative models representing people, places, and objects found in scripture and liturgy.

Everything in the atrium is made to feed the deep religious potential of children. We are inviting children ages 3-4 years old to register for classes beginning on Saturday, Nov. 9. We will meet in the MTMC from 10 am-12 noon. You may call Jennifer Altier to set up an appointment to tour the atrium or to answer any

## SPIRITUAL ADOPTION OF AN UNBORN BABY

### Development at 32 Weeks

The baby weighs almost 4 pounds and is moving around often. The baby's skin has fewer wrinkles as a layer of fat starts to form under the skin. Between now and delivery, your baby will gain up to half his birth weight. Ask your doctor how to do a fetal movement chart. Think about breastfeeding. You may notice a yellowish fluid leaking from your breasts. That is colostrum, and it happens to get your breasts ready for making milk. Most women go to the doctor every two weeks at this stage of pregnancy.

*Your all invited...*

Please bring a special something for your unborn baby.

**TO THE LORD**

### **Yearning for Victory with the Lord**

*As we continue to go through this series of Homilies on Prayer, today's theme is Yearning for Victory with the Lord!*

*Victory, meaning that our Faith is animating us and motivating us and giving us life and making us happy to be alive!*

*Victory, meaning that all are experiencing the Great Treasure we have in Jesus, and that each of us is giving our lives and circumstances to Him and that He is now - Everything to us!*

*Victory, meaning that we all have a life-giving, intimate, and real relationship with Jesus and that because of this, we have a beautiful relationship with each other!*

*Victory, meaning we know each other and are there for each other, and we are literally like family with each other!*

*Victory, meaning that everyone who walks into Holy Apostles Church, feels this and is embraced by a life-giving atmosphere within our parish that changes them and whatever difficulties they are facing!*

*Victory, meaning, that where we are, one is always treated as a Child of God, and that one's identity as such, is always highly respected, without exception!*

*Victory, meaning that we will be His Hands and Feet to our neighbors and that one day, we and they will all be transformed by His Love!*

*...So please, take on the practice of prayer every day and little by little, the Victory of the Lord will be ours!*
