### SPIRITUAL ADOPTION OF AN UNBORN BABY

#### Development at 28 Weeks

The baby weighs about 2 pounds, 6 ounces, and changes position often at this point in pregnancy. If you had to deliver prematurely now, there is a good chance the baby would survive. Ask your doctor about preterm labor warning signs. Now is the time to register for birthing classes. Birthing classes prepare you for many aspects of childbirth, including labor and delivery and taking care of your newborn..

### COMING SOON!

We are very excited to announce that our newest faith formation program, Catechesis of the Good Shepherd, will begin November 9th! We will meet every Saturday from 10 am-12 noon in our prepared environment, called the ATRIUM, located in the MTMC.

This Montessori model of catechesis allows us to bring Jesus' deepest truths to our youngest children. Our catechists have been trained to introduce the essentials of our faith in hands-on 1:1 presentations, and to assist the Holy Spirit in helping the child fall in love with Jesus.

We invite parents of ALL 3 and 4 year olds to prayerfully consider this wonderful opportunity; you need NOT be a parishioner, so tell your friends. Contact Jennifer Altier (381-3873) with questions or to set up an appointment to tour the atrium.

**Praising & Adoring the Lord...**

*There is a difference in prayer between praising God and thanking God for what He has done for us, but we praise God for simply who He is! How beautiful and kind and gentle and powerful and loving and forgiving and merciful and gracious.... Etc. He is!! Praise concentrates on the Person of God— no matter what He does or doesn't do for us. Praise is an "I love you! To God with no Conditions attached. Prayers of Thanksgiving are different. When we thank God for things, we are still thinking very much about ourselves and our lives. However, when we praise & adore the Lord— we are lost in our contemplation of Him... It is all about Him!*

*We need both praise and thanksgiving in our lives of prayer. We should never take for granted the blessings He has given and poured out upon us and we should be constantly thanking Him... However, between praise & thanking, praise is the greater prayer... praise is like climbing on the lap of God and seeing His beauty, power, magnificence, gentleness and tenderness. Praise is like drinking in the love of the Lord and then just resting quietly and peacefully with Him and wanting to be no where else... May the Holy Spirit help our prayer lives to grow in praise of God!*
